Permission for Field Experiences

Physical education and field experiences to complement units of study are incorporated in the LMS curriculum throughout the year, especially in the extended day kindergarten and elementary classes. Parents will be notified and volunteer drivers requested beforehand. Parents who do not want their child to participate MUST inform the school in writing. Please sign the permission slip below if your child may participate in field experiences.

My child, _____, has my permission to attend fieldtrips and physical education activities with his/her class during the 2011-2012 school year.
